

Friends of Langstone Harbour Annual Walk Round the Langstone Loop Sat 3rd Oct 2026 **All Welcome**

You are invited to join in the Friend's 28th annual round the harbour walk. The full 14 miles, or just a part - it's a walking bus - you can get on or get off anywhere you please!

Langstone Harbour boasts an excellent footpath round nearly all its shoreline, much improved this year as part of the new King Charles III England Coast Path. The Friends now call our footpath the "Langstone Loop". It offers unrivalled and ever changing views.

Our Annual Walk is an opportunity for us, in good company, to see the Harbour in the round, review the state of the footpath, onshore developments and note the cumulative effects of the Friends' monthly Ranger workouts.

The walk always starts at the Hayling Station Theatre (free car park) catching the 9.35am ferry to Eastney and finishing at the Hayling Theatre at about 3pm. All at an easy pace with breathers at the Outdoor Centre and the Ship Inn at Langstone.

Although food can be purchased at The Ship Inn, most walkers bring their own drinks and refreshments.

The walk has never stopped for weather - dress appropriately. Dogs are welcome. Most of the marked car parks shown on the map are free.

Timetable

- join us or leave us as we pass -

8.50am	Hayling Theatre car park - (1.6 miles to the ferry)
9.35am	Ferry to <u>Eastney</u> (£4 - contactless preferred)
